

December Meeting 2024

12/11/2024 · 1 min read

In a relaxed and enjoyable atmosphere, our members came together to discuss important changes to our organization's constitution, the coworking groups, and our exciting collaboration with the Castello925 art gallery.

We are thrilled to announce that the beautiful space led by Luca Caldironi at Castello925 will host our monthly meetings every second Tuesday.

After the meeting, our President Julia organised a vote on the updated constitution which was confirmed and which will be updated on the website shortly.
