

AIWAV September Meeting 2024

11/3/2024 · 1 min read

The first meeting of the new club year in September was held online utilising an interactive tool called Menti.com to engage the members with a series of investigations about the nature of what the club should be and how things have been progressing over the year.

Thanks to everyone who attended and the contributions of Leadership Team members to update, explain and engage the various presentations. In the following months, the Leadership, in conjunction with members who have expressed an interest to become more involved with the operations of the Association, hope to expand on and develop some of the ideas and questions so generously contributed by the membership on the evening.

Inaugural AIWAV Coffee Morning September 2024

Thanks to the efforts of member, Nicole McKeivitt, AIWAV hosted its first coffee morning. An idea that has been talked about for a long time was a huge success with new, old and prospective members all attending at Combo, Campo Gesuiti, Cannaregio.

Hopefully this will become a regular event and the Leadership extend an invitation to anyone who wants to organise an event to use the form in the Members Area. This will put the event in the calendar and prompt an email to discuss the details. It was very clear that a mid-week morning event suits a lot of people's schedule, for example.
