2/27/2023 · 1 min read

On 2nd February, before the madness of Venice Carnival set in, the membership of AIWAV gathered at the lovely home of member Val Oliveira. Two new members, Tamela and Jo-Ann were welcomed and members of the Leadership Team described some of the behind the scenes organisation that has been ongoing since the Autumn. At the end of the evening Val introduced the other members to some of her stunning photography work, more of which can be found at:
