

AIWAV December Meeting 2023

12/19/2023 · 1 min read

The December meeting was hosted by member, Constance, at her home. It was a very joyful affair with a number of people soon to depart for the Christmas break and member Brigitte travelling back to Australia to finish her thesis. We hope to see her again soon.

Constance organised a Charity Silent Auction, to which members brought a wide selection of items. It went very well and 175Euros was raised on the night. The money will go to the Association's chosen organisations working on behalf of Women and Children caught in violent situations (See separate news story).

Everyone had so much fun, that we all forgot to take photos but Brigitte caught a funny one at the end of the evening!
