

# AIWAV September Meeting 2023

9/20/2023 · 1 min read

The AIWAV September Meeting was held around San Zaccaria with a visit to the church and in particular it's flooded crypt. Afterwards everyone gathered at Bacaro Risorto where the management made a nice deal of a drink and two cicchetti inclusive. There wasn't any particular news discussed but it was nice to meet a couple of new prospective members

Within the What's App groups however, Constance has done a great job of collecting all the outstanding current subscriptions and Julia finished consulting on the club constitution. She also arranged a vote to confirm the constitution and published it on the website.

The center offers protection and support for women who suffer or are exposed to violence, resulting in physical, sexual, psychological or economic harm or suffering. There are also outreach centers in Cannaregio and Lido as well as Mestre.
