

# June 2023 Meeting Update

6/20/2023 · 1 min read

The June meeting was kindly hosted by member Amy Burke at her Cannaregio therapy studio. This was one of the first times the club has had to set limits on the number of people able to come. This is a testament to the growing membership. Thanks to everyone who accommodated to the needs of the space.

Amy made a short presentation regarding her life and history of working within the Chiropractic discipline. Questions were asked and the subject ranged around a variety of health related subjects. Amy's visual description of how she sees her work helping people was particularly appreciated (See below!)

After the meeting, a large group of members plus at least one who couldn't make the meeting but was available later went to the Indian on Fondamenta Ormesini. Ital India produced a wonderful selection of delicious dishes and thanks again to Amy for organising it. It's great to eat something other than the (fabulous but ubiquitous) fish menu in Venice.
