3/19/2024 · 1 min read

The March meeting was held at Casa Verado - Residenza D'Epoca <https://maps.app.goo.gl/YVepCmGjyiquG9Ur9> located near Campo Santa Maria Formosa. Many new members joined a very well attended meeting. It was, for once a true meeting, in addition to a social hour, a short programme of how the evening was programmed can be found below.

18:30-18:45: Meet and Greet Aperitivo (care of Casa Verado)

18:45-19:00: Introduction to AIWAV

Who we are as a group and who is the Leadership Team

What is FAWCO*

Resources/website updates

One important question that was asked: Who do we want to be? We want to hear from you! We are a member-driven association, and we want to make sure our programming is aligned with your wants. We would love to hear any ideas from you for both the association overall and specific events.

Further to this, remember there are forms available to submit ideas and suggestions in the members area

19:00-20:30: Social Hour + Guest Speaker

At this part of the evening Marta Anselmi, a representative from Centro Antiviolenza e Sportelli Antiviolenza - one of the two organisations we support, talked about their services and activities. Our Carnevale event was able to donate directly to the organization.

Thanks again to our speaker Marta, Francesca for the translation and Pier Andrea/all at Hotel Casa Verardo for hosting us.
